Act Now to Help Protect What Matters Most

The life you're building for yourself and your family is precious. Every financial decision, every first step, every milestone — these are the things that matter. Think of insurance as a financial safety net that can help protect you when life doesn't go as planned. Enrolling in coverage now is a small thing you can do to help make sure you and your loved ones keep moving forward.

In this guide, you'll find details about your group insurance options from Standard Insurance Company (The Standard) and the forms you need to start the application process.

Protection for Your Loved Ones

Life insurance helps provide support and stability to your family if something were to happen to you. It can help your family financially through a difficult time and provide support into the future.

Accidental Death and Dismemberment (AD&D) insurance helps protect against a sudden financial loss brought on by an accidental death. It can also help pay for the high cost of living associated with surviving an accident that results in a severe physical loss.

Protection for Your Paycheck

Your most valuable asset is your ability to earn an income. Disability insurance provides partial income replacement if you can't work because of a qualifying disability caused by an illness, injury or pregnancy. The benefit payments can help with bills that continue even when you can't work, like your mortgage or rent — expenses medical insurance won't cover.

Long Term Disability insurance pays a monthly benefit if you experience a disability that lasts for several months or even years.

Your Employer-Paid Benefits

- Basic Life and AD&D insurance

Benefits You Can Apply for Now:

- Additional Life and AD&D insurance
- Dependents Life insurance
- Long Term Disability insurance

Online Will Preparation

A simplified way to take care of important life matters

If creating a will has been on your radar, Online Will Preparation can help you get it done. Use this easy tool to help make important decisions for you and your family. Online Will Preparation is included in the Life Services Toolkit, an additional service with your Group Life Insurance from Standard Insurance Company (The Standard).

Why Create a Will?

A will is a legal document that describes how you want to divide up your assets after your death. If you don't have a will, state law will determine how your assets will be divided. A will can also be used to designate a guardian for minor children. Moreover, a will helps your family and friends understand your wishes.

How It Works

Online Will Preparation is an easy-to-follow process. Just answer a series of questions — on your own time — and watch as the document is created. You can save and close the document at any time, then work on it later. After you've created the will, follow instructions to complete the process.

Beneficiary Information

- Your designation revokes all prior designations.
- Benefits are only payable to a contingent Beneficiary if you are not survived by one or more primary Beneficiary(ies).
- If you name two or more Beneficiaries in a class:
 1. Two or more surviving Beneficiaries will share equally, unless you provide for unequal shares.
 2. If you provide for unequal shares in a class, and two or more Beneficiaries in that class survive, we will pay each surviving Beneficiary his or her designated share. Unless you provide otherwise, we will then pay the share(s) otherwise due to any deceased Beneficiary(ies) to the surviving Beneficiaries pro rata based on the relationship that the designated percentage or fractional share of each surviving Beneficiary bears to the total shares of all surviving Beneficiaries.
 3. If only one Beneficiary in a class survives, we will pay the total death benefits to that Beneficiary.
- If a minor (a person not of legal age), or your estate, is the Beneficiary, it may be necessary to have a guardian or a legal representative appointed by the court before any death benefit can be paid. If the Beneficiary is a trust or trustee, the written trust must be identified in the Beneficiary designation. For example, "Dorothy Q. Smith, Trustee under the trust agreement dated _____."
- A power of attorney must grant specific authority, by the terms of the document or applicable law, to make or change a Beneficiary designation. If you have questions, consult your legal advisor.
- Dependents Insurance, if any, is payable to you, if living, or as provided under your Employer's coverage under the Group Policy.
